

Doric awarded “Aircraft Leasing Innovator of the Year”

London – Doric Asset Finance was awarded the “Aircraft Leasing Innovator of the Year” by the leading international transportation publication Jane’s Transport Finance in recognition of the financing of four Airbus A380s in the UK institutional investor market. The award ceremony and gala dinner took place at the Plaisterers’ Hall on 30th November 2011 in London.

The renowned jury acknowledged the innovative characteristics of the aircraft investment companies Doric Nimrod Air One and Doric Nimrod Air Two, providing institutional investors in the UK with the opportunity to share ownership of an aircraft with the transparency and liquidity of a London Stock Exchange listing.

Among the 20 companies distinguished were some of the world’s leading investment banks and law firms.

About Jane’s Transport Finance Awards

Jane’s Transport Finance delivers detailed financial news and analysis covering the aircraft, airport, shipping and rail industries throughout the world.

The Jane’s Transport Finance Awards were established 11 years ago and are given in the aviation, legal, shipping, rail and road sectors with the winners each judged on a specific deal which demonstrates that their finance house or bank has shown particular innovation and skill in securing finance for transportation assets. The awards are judged by a panel of leading industry experts and Jane’s Transport Finance editorial team.
